Remarks:-

- (1) Three computer classes, three sewing classes and one applique class are running for our teachers and others.
- (2) We try to upgrade the students of Standard I & II to the next higher class in six month.
- (3) We are running most of the non-formal educational classes for elderly illiterate girls.
- (4) We are trying to develop one educational hub at Anisabad (ward 10 & 11). We started a sewing class for elderly educated/uneducated girls on their demand. One sewing batch runs for nearly nine months. Fifth batch has started in May 2011. We are running two non-formal education centers at Anisabad from January 12.
- (5) We are helping and coordinating with Madhuri Saksharta Trust to establish a new educational hub at Rajendra Nagar. We were running a non formal education class and a sewing class at Samaj Kalyan Samiti, Rajendra Nagar. In addition to this, a computer class was started from May 2011. A second Computer class was started from June 2011. A capacity building class for home school teachers has also been started from December 2011. More than 15 students have started coming from January 12 in this class.
- (6) Classes of different standard are started in different months. Due to different reasons many have been closed also. We have decided to evaluate the classes separately. We have also decided to show the start of the particular standard in column seven.
- (7) Actual attendance in non-formal education centre is higher than the average attendance shown here. Attendance shown here are given by monitors (not by teachers), who visit the class any time, uninformed during the class period.
- (8) Due to different reasons, we could not hold on the Dalits near Ganga Tower. Presently, the classes have been shifted from here to other places of poor people. We will again try for their welfare, when we get better chances.
- (9) JSS, ADRI is giving help for running three sewing classes.
- (10) We have restarted in November non formal education centers at Anishabad and Manpura .The Mainpura class is again closed due to change of house. The NFEC class will restart in a month or two.

Note :-

- (1) Due to the annual examinations of Matric, Inter & B.A coming regularly and most of our home school teachers being students of these classes, there is enough difficulty in increasing the home school classes. Due to this reason, there is regular change of many home school teachers also.
- (2) The grade given to the teachers is our assessment. We keep the new teachers in grade I if they are not evaluated. After their evaluation they are given proper grade.
- (3) **We are trying to phase out from July 2010 those girls who are earning more than Rs.1500/- per month as they have attained the desired level and can do without our support.**
- (4) **We want to increase numbers of home school teachers to nearly 300 in 2011-2012.**
