Note :-

- (1) Due to the annual examinations of Matric, Inter & B.A coming regularly and most of our home school teachers being students of these classes, there is enough difficulty in increasing the home school classes. Due to this reason there is regular change of many home school teachers also.
- (2) The grade given to the teachers is our assessment. We keep the new teachers in grade I if they are not evaluated. After their evaluation they are given proper grade.
- (3) **We are trying to phase out those girls who are earning more than Rs.1500/- per month from July 2010 as they have attained the desired level and can do without our support.**
- (4) **We want to increase numbers of home school teachers to 300 this year.**

Remarks:-

- (1) Five computer classes and five sewing classes are running for our teachers and others.
- (2) We have tried to upgrade the students of Std. I & II in six months to the next higher class.
- (3) We are running most of the non-formal educational classes for elderly illiterate girls.
- (4) We are trying to develop one educational hub at Anisabad (ward 10 & 11). We started a sewing class for elderly educated/uneducated girls on their demand. One sewing batch runs for nearly nine months. Fifth batch has started in May. We are running one non-formal education centre at Anisabad for uneducated girls.
- (5) We are helping and coordinating with Sri Sitaram Chhaparia, Chairperson, Madhuri Saksharta Trust to establish a new education hub at Rajendra Nagar. Due to ill health of Sri Chhaparia Jee, the whole responsibility of Rajendra Nagar has been taken by Kutumb Trust. We were running a non formal educational class and a sewing class at Samaj Kalyan Samiti, Rajendra Nagar. In addition to this, a computer class has started from May 2011. The Computer here has been given by SBI ladies' Club to Samaj Kalyan Samiti. A second class of Computer has been started this month.
- (6) Classes of different standard are started in different months. Due to different reasons many are closed also. We have decided to evaluate the classes separately. We have also decided to show the start of the particular standard in column seven.
- (7) Actual attendance in non-formal education centre is much higher than the average attendance shown here. Attendance shown here are given by monitors (not by teachers), who visit the class any time, uninformed during the class period.
- (8) Due to different reasons, we could not hold on Dalits near Ganga Tower. Presently, the classes have been shifted from here to other places of poor people. We will again try for their improvement, when we get better chances.
- (9) With the help of JSS, ADRI, we gave training in candle making and Agarbatti making to more than 150 ladies and girls in the month of March 2011. The training in candle making and Agarbatti making has continued in April 2011 also. The total number of beneficial candidates reached to 200. We are trying to make a few groups for the sale of Candle and Agarbatti with the help of an organisation.
