Note :-

- (1) Due to the annual examinations of Matric, Inter & B.A coming regularly and most of our home school teachers being students of these classes, there is enough difficulty in increasing the home school classes. Due to this reason, there is regular change of many home school teachers also.
- (2) The grade given to the teachers is our assessment. We keep the new teachers in grade I if they are not evaluated. After their evaluation they are given proper grade.
- (3) We are trying to phase out from July 2010 those girls who are earning more than Rs.1500/- per month as they have attained the desired level and can do without our support.
- (4) We want to increase numbers of home school teachers to nearly 325 in 2012-2013.
- (5) We are Trying to change the area in Patna City. In Rajendra Nagar we are increasing the home school teachers in enough number.
