- (4) We are trying to develop one educational hub at Anisabad (ward 10 & 11). We are running a sewing class for elderly educated/uneducated girls on their demand. One sewing batch runs for nearly nine months. Sixth batch was started in May 2012. We are running two non-formal education centers at Anisabad from January 2012. The First NFEC Class was upgraded in November 2012 and the second NFEC Class was upgraded in December 2012 to Std. II.

Note :-

- (1) Due to the annual examinations of Matric, Inter & B.A coming regularly and most of our home school teachers being students of these classes, there is enough difficulty in increasing the home school classes. Due to this reason, there is regular change of many home school teachers also.
- (2) The grade given to the teachers is our assessment. We keep the new teachers in grade I if they are not evaluated. After their evaluation they are given proper grade.
- (3) We are trying to phase out from July 2010 those girls who are earning more than Rs.1500/- per month as they have attained the desired level and can do without our support.
- (4) We want to increase numbers of home school teachers to nearly 325 in 2012-2013.
- (5) We are changing the area in Patna City. Due to this change, the number of teachers has gone down. In the new area, we are trying to increase the teachers and hope to get the result soon. In Rajendra Nagar, we have increased the home school teachers in enough number and we are planning to increase more.
