Remarks:-

- (1) Four computer classes, one sewing class are running for our teachers and others in December 2014.
- (2) We try to upgrade the students of standard I & II to the next higher class in six months. We are running most of the non-formal educational classes for elderly illiterate girls.
- (3) Three computer classes are running at Rajendranagar. The financial help for two computer training classes at Rajendranagar comes from Mrs. Daya Agrawal and Mrs. Neena Motani of Patna Marwari Mahila Samiti.
- (4) We are running three non-formal education centers at Anisabad in December 2014. The third NFEC class is for boys of std. I to std. IV.
- (5) We are developing an educational hub at Rajendra Nagar. We are running a non formal education class and a sewing class at Samaj Kalyan Samiti, Rajendra Nagar. This class has students from zero level to Std. VI. In addition to this, three computer classes are running here for third, fourth and fifth batch students respectively. A capacity building class for home school teachers is also running from December 2011. More than 45 students are now coming in this class. The number of home school teachers is increasing. Samaj Kalyan Samiti is willing to give us more space for more classes.
- (6) Classes of different standard are started in different months. Due to different reasons many have been closed also. We have decided to evaluate the classes separately. We have also decided to show the start of the particular standard in column seven.
- (7) JSS, ADRI is giving help for running one sewing class.

Note :-

- (1) Due to the annual examinations of Matric, Inter & B.A coming regularly and most of our home school teachers being students of these classes, there is enough difficulty in increasing the home school classes. Due to this reason, there is regular change of many home school teachers also.
- (2) The grade given to the teachers is our assessment. We keep the new teachers in grade I if they are not evaluated. After their evaluation they are given proper grade.
- (3) We are phasing out from July 2010 those girls who are earning more than Rs.1500/- per month and have attained the desired level and can do without our support.
- (4) We want to have nearly 325 home school teachers in 2014-2015.
- (5) We have changed the area in Patna City from January 2013. Due to this change, the number of teachers had gone down. In the new area, we are trying to increase the teachers. In Rajendra Nagar, we have increased the home school teachers in enough number and we are planning to increase more.
