#### Note :-

- (1) Due to the annual examinations of Matric, Inter & B.A coming regularly and most of our home school teachers being students of these classes, there is enough difficulty in increasing the home school classes. Due to this reason, there is regular change of many home school teachers also.
- (2) The grade given to the teachers is our assessment. We keep the new teachers in grade I if they are not evaluated. After their evaluation they are given proper grade.
- (3) We are phasing out from July 2010 those girls who are earning more than Rs.1500/- per month and have attained the desired level and can do without our support.
- (4) We want to have nearly 325 home school teachers in 2014-2015.
- (5) We have changed the area in Patna City from January 2013. Due to this change, the number of teachers had gone down. In the new area, we are trying to increase the teachers. In Rajendra Nagar, we have increased the home school teachers in enough number and we are planning to increase more.
