Note :-

- (1) Due to the annual examinations of Matric, Inter & B.A coming regularly and most of our home school teachers being students of these classes, there is enough difficulty in increasing the home school classes. Due to this reason, there is regular change of many home school teachers also.
- (2) The grade given to the teachers is our assessment. We keep the new teachers in grade I if they are not evaluated. After their evaluation they are given proper grade.
- (3) We have stopped phasing out from September 2015 those girls who are earning more than Rs.1500/- per month.
- (4) We want to have nearly 325 home school teachers in 2015-2016.
- (5) We have changed the area in Patna City from January 2013. Due to this change, initially the number of teachers had gone down. Now, in the new area, the number of teachers has come to the level of Lodi Katra (the earlier centre). The Rajendra nagar centre is running with nearly forty five home school teachers. The Bajrangpuri capacity building class has presently fifteen home school teachers and we are trying to increase the number.
