Remarks:-

- (1) Three computer classes, one sewing class are running for our teachers and others in June 2016
- (2) We try to upgrade the students of standard I & II to the next higher class in six months. We are running two non-formal education centres for elderly illiterate girls.
- (3) Three computer classes are running at Rajendranagar. The financial help for two computer training classes at Rajendra nagar comes from Mrs. Daya Agrawal and Mrs. Neena Motani of Patna Marwari Mahila Samiti.
- (4) We are running one non-formal education center at Anisabad in June 2016.
- (5) We are running an educational hub at Rajendra Nagar. We are running a non formal education class and a sewing class at Samaj Kalyan Samiti, Rajendra Nagar. The non formal class has students from zero level to Std. VI. The three computer classes are running here for sixth, seventh and eighth batch students respectively. A capacity building class for home school teachers is also running from December 2011. Nearly 30 Home school teachers are now coming in this class. The number is decreasing due to less interest by home school teachers of this area.
- (6) We have started a capacity building class at Bajarangpuri (ward no. 54) from June 2015. Nearly fifteen home school teachers are coming in the class.
- (7) The computer class at Patnacity has been closed from May 2016 due to lack of students.

Note :-

- (1) Due to the annual examinations of Matric, Inter & B.A coming regularly and most of our home school teachers being students of these classes, there is enough difficulty in increasing the home school classes. Due to this reason, there is regular change of many home school teachers also.
- (2) The grade given to the teachers is our assessment. We keep the new teachers in grade I if they are not evaluated. After their evaluation they are given proper grade.
- (3) We have stopped phasing out from September 2015 those girls who are earning more than Rs.1500/- per month.
- (4) We want to have nearly 325 home school teachers in 2016-2017.
- (5) We have changed the area in Patna City from January 2013. Due to this change, initially the number of teachers had gone down. Now, in the new area, the number of teachers has come to the level of Lodi Katra (the earlier centre). The Rajendra nagar centre is running with nearly thirty home school teachers. The Bajrangpuri capacity building class has presently fifteen home school teachers and we are trying to increase the number.
