Ward Wise Details

Note :-

- Due to the annual examinations of Matric, Inter & B.A coming regularly and most of our home school teachers being students of these classes, there is enough difficulty in increasing the home school classes. Due to this reason, there is regular change of many home school teachers also.
- The grade given to the teachers is our assessment. We keep the new teachers in grade I if they are not evaluated. After their evaluation they are given proper grade. The grade indicates the capacity of teaching. Grade- I means the teacher can teach up to class- I.
- We have stopped phasing out from September 2015 those girls who are earning more than Rs.1500/- per month.
- We want to have nearly 325 home school teachers in 2017-2018 and new student-teacher ratio as 10:1 instead of 9:1. Average teacher earning to be Rs. 900/- per teacher per month.**
- Mathnital main capacity building centre caters Ward no.- 61 to 69. The Lodikatra centre has more muslim home school teachers of ward no.- 61 to 64. The Bajrangpuri centre has home school teachers of mainly ward no.- 54 and nearby wards. We have started a capacity building class at G-31 Kankarbagh from April- 2017.
